Honor Flight is an all-volunteer non-profit organization dedicated to providing veterans with honor and closure.

- SERVING THE CENTRAL FLORIDA VETERAN COMMUNITY SINCE 2012 -

Visit www.honorflightcentralflorida.org or call 407.203.7010 to learn more about what we do, our 2019 flight schedule, and how YOU can serve our Central Florida Veterans.

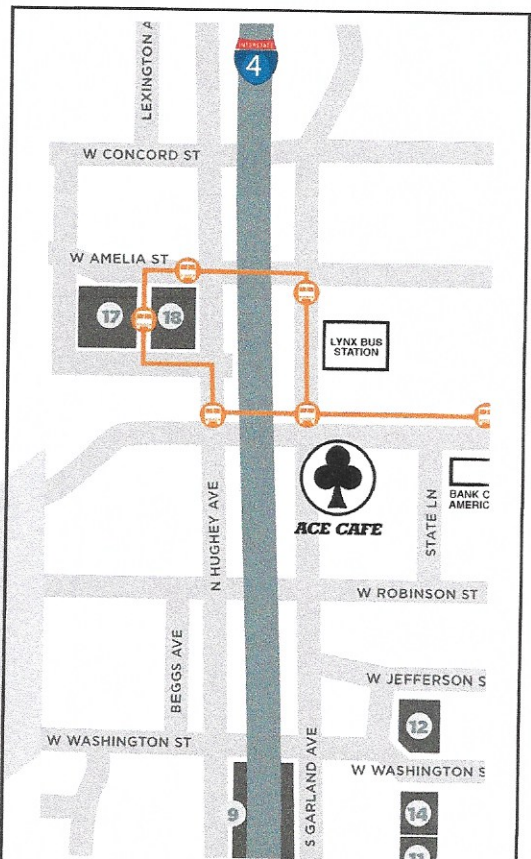

Our Mission: We transport America's Veterans to Washington, D.C. to visit those memorials dedicated to honor the service and sacrifices of themselves and their friends.

Honor Flight Network is a non-profit organization created solely to honor America's veterans for all their sacrifices. We transport our heroes to Washington, D.C. to visit and reflect at their memorials at no cost to them. Top priority is given to our senior veterans - World War II survivors, along with those other veterans who may be terminally ill. After serving these veterans, our efforts then focus on honoring Korean and Vietnam Veterans.

Of all of the wars in recent memory, it was World War II that truly threatened our very existence as a nation and as a culturally diverse, free society. According to the Department of Veterans Affairs, an estimated 640 WWII veterans die each day. Our time to express our thanks to these brave men and women is running out.

Since 2005 the Honor Flight Network has flown over 250,000 Veterans from 46 states and 136 regional hubs.

Honor Flight Central Florida is a registered HUB of the national Honor Flight Network. We are a 501(c)3 non-profit all-volunteer organization. We serve Central Florida Veterans regardless of which county they live in and fly out of the Orlando International Airport.
